

# Zones

- **Transition zone**
  - Surrounds the prostatic urethra.
  - This zone enlarges in aging men resulting in benign prostatic hyperplasia.
- **Central zone**
  - lies in the base of the prostate behind the transition zone and surrounds the left and the right ejaculatory duct.
- **Anterior fibromuscular stroma**
  - Small area of tissue that is situated on the anterior side of the prostate.
- **Peripheral zone**
  - situated on the posterior and lateral side of the prostate.
